If it seems like your money isn't stretching as far these days, you are not alone. Many of us want to stop living paycheck to paycheck and start getting ahead in life. Come spend an hour learning about one basic step in managing your money.

Classes are informal,  
informational and entertaining!

Equal Opportunity Organization

Learn to:

- Set and reach financial goals
- Organize income and expenses
- Overcome credit card debt
- Make your income go further with money saving do's and don'ts
