

MASTER YOUR GARDEN

Lunch Bag Series

Presented by the St. Lucie County Extension Service Master Gardeners

**Third Friday of the Month
Noon to 1 PM**

Bring your lunch and learn about these topics:

September 15 - "Florida Friendly Landscaping"

Learn how to create and maintain attractive yards and neighborhoods while protecting the health and beauty of your Florida community.

October 20—"Vegetable Gardening in Florida"

Follow some tried and true tips to growing popular produce in your own back yard, and create a home-grown feast for your holiday table.

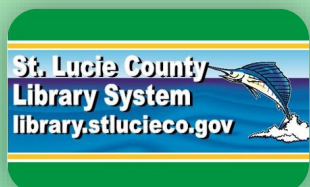

November 17—"Florida Friendly Fertilizing"

With nearly twelve months of horticultural productivity, local yards and gardens can often benefit from just the right dose of nutrients at just the right time.

December 15—"Bee Florida Friendly"

Learn about the honey bees and native bees that frequent Florida fauna, and how to attract and welcome these great pollinators to your local landscape.
